MARCH 29-30, 2019 | NEW YORK CITY, NY  
THE URBAN ASSEMBLY SCHOOL FOR GREEN CAREERS

## WHAT IS EYES?

EYES aims to educate young people on urgent environmental issues and how they can help through engaging workshops, open discussions, and leadership-building activities.

**10**  
workshops  
offered by

NYC Soil and Water Conservation District • 350 NYC • Jade Sweeney • Cindy Wang • Green City Challenge • Women's Environment and Development Organization • Seedball • Think Ocean • NJPIRG • Waterfront Alliance

## Through hands-on workshops, participants learned about:

- Youth activism
- Designing community projects
- The importance of pollinators
- Climate change models
- Diplomacy in environmentalism
- Trends of urban coastlines
- And much more!
