

International Young Environmentalists Youth Summit 2018

Hosted by Greening Forward
greeningforward.org

APRIL 13-14, 2018 | HUNTS POINT, BRONX, NY
THE POINT COMMUNITY DEVELOPMENT CORPORATION

WHAT IS IYEYS?

The mission of IYEYS is to provide hands-on opportunities for young people to learn about environmental issues and develop the skills to make an impact in their community.

OVER 60
young changemakers attended

Participants engaged in workshops on...

- Sustainable agriculture
- Renewable energy
- Reducing plastics
- Transportation
- Water quality
- And much more!

Plus many other activities!

Environmental-themed games to test leadership and teamwork

Group discussions on GMOs and renewable energy

Practice with public speaking in front of peers

IYEYS was made possible by our sponsors:
