How to Guide Students in Community Problem Solving

How will you help students identify a community problem?

- Community mapping?

- Newspaper investigation?

- Brainstorming?

- Other?

How will you help students develop investigation or research skills?

- Teach them how to construct and administer a survey and analyze results?

- Teach them how to search the internet, identify sources, and convey information?

- Teach them how to interview others?

- Teach them how to be good observers and documenters?

How will you come to consensus on the one or two community problems to address?

- Consensus voting?

- Dot voting?

- Other?

How will you ensure that the project has:

- A link to curricular objectives?

- Urgency and importance?

- Student interest and engagement?

- Efficacy?
